<<Dr.Seuss And To Thin>>

内容概要

"A plain horse and wagon on Mulberry Street grows into a story that no one can beat!" In this tale, Young Marco allows his imagination to run riot as he travels home from school one day, to the extent that a horse and cart is soon transformed into a chaotic carnival of colourful creatures in his own mind. This new cover reprint of Dr. Seuss's first book features the distinctive red border design which instantly identifies the work with such Seussian classics as "The Cat in the Hat" and "How the Grinch Stole Christmas!" Written in 1937, it introduces young readers to the fun of letting your imagination run away with you.

作者简介

Dr. Seuss was born Theodor Geisel in Springfield, Massachusetts on March 2, 1904. After attending Dartmouth College and Oxford University, he began a career in advertising. His advertising cartoons, featuring Quick, Henry, the Flit!, appeared in several leading American magazines. Dr. Seuss's first children's book, *And To Think That I Saw It On Mulberry Street*, hit the market in 1937, and the world of children's literature was changed forever! In 1957, Seuss's *The Cat in the Hat* became the prototype for one of Random House's best-selling series, *Beginner Books*. This popular series combined engaging stories with outrageous illustrations and playful sounds to teach basic reading skills. Brilliant, playful, and always respectful of children, Dr. Seuss charmed his way into the consciousness of four generations of youngsters and parents. In the process, he helped kids learn to read.
