<<Fundamentals of Corp>>

内容概要

With this new book, you will have access to a book-specific Website, the S&P Educational Version of Market Insight, and a Student CD-ROM. Together, they offer you new ways to reinforce concepts and gauge how well you're grasping material from the text. You can count on this free CD-ROM to tell you if you're ready for exams. For each chapter, it offers 100 true/false and multiple-choice questions to gauge how well you're grasping the material. A random problem generator gives you access to an infinite number of mathematical problems that let you test yourself on key formulas found throughout the book.

<<Fundamentals of Corp>>
