<<Walk of the Spirits >>

内容概要

When Miranda Barnes first sees the sleepy town of St. Yvette, Louisiana, with its moss-draped trees, above-ground cemeteries, and her grandfather ' s creepy historic home, she realizes that life as she knew it is officially over. Almost immediately, there seems to be something cloying at her. Something lonely and sad and . . . very pressing. Even at school and in the group project she ' s been thrown into, she can ' t escape it. Whispers when she ' s alone, shadows when no one is there to make them, and a distant pleading voice that wakes her from sleep. The other members in Miranda ' s group project, especially handsome Etienne, can see that Miranda is in distress. She is beginning to understand that, like her grandfather before her, she has a special gift of communicating with spirits who still walk the town of St. Yvette. And no matter where she turns, Miranda feels bound by their whispered pleas for help . . . unless she can somehow find a way to bring them peace.
