## <<Adobe Photoshop Elem>>

### 内容概要

Praise for previous editions of this title:

"With Philip providing you with such a good street index to our Photoshop Elements 3.0 software you will be creating fantastic digital images in next to no time at all."

Judith Salonga, Adobe Systems

"If you need to manipulate digital images this is the book that will not only show you what can be achieved but inspire you to develop your skills even further."

Computer Arts Special

"Whether you are into manipulating photographs, wishing to build better websites or produce better looking prints, this book will help you to master all the necessary tools contained in the program. The learning curve just got shallower!"

Martin Evening

"Philip Andrews' knowledge and enthusiasm shines through."

Royal Photographic Society Journal

"If you need to manipulate digital images this is the book that will not only show you what can be achieved but inspire you to develop your skills even further."
