<<WHAT THE DOG SAW 狗 >

内容概要

Here is the bittersweet tale of the inventor of the birth control pill, and the dazzling inventions of the pasta sauce pioneer Howard Moscovitz. Gladwell sits with Ron Popeil, the king of the American kitchen, as he sells rotisserie ovens, and divines the secrets of Cesar Millan, the "dog whisperer" who can calm savage animals with the touch of his hand. He explores intelligence tests and ethnic profiling and "hindsight bias" and why it was that everyone in Silicon Valley once tripped over themselves to hire the same college graduate.
