## <<Alex Toys Finger Pup>>

### 内容概要

Story time has never been so much fun! Parents and children can read and play along with their favorite classic stories. The glove and finger puppets help bring each adventure to life. The four colorful finger puppets stick to the soft felt glove and come affixed to the front cover of each book. Use the characters attached to the glove to act out the story or wear the four individual puppets on your fingers as you read along. Each book has a felt play space at the end so you can create your own adventures!
