## <<入院前创伤生命支持>>

### 内容概要

As the required textbook for NAEMT's worldwide prehospital trauma life support courses, Prehospital Trauma Life Support (PHTLS) is the definitive resource for learning basic and advanced prehospital trauma skills and concepts. Now revised and expanded to cover all aspects of prehospital trauma with new chapters on burns, wilderness trauma, tactical considerations, weapons of mass destruction, triage and disaster management, and environmental trauma the 6th edition is the ultimate trauma text for any prehospital care provider! The 6th edition is also ideal for use as the trauma component of an EMT or paramedic course or as a general reference tool on trauma assessment and management. The Instructor's Resource Manual with CD-ROM is available for certified PHTLS instructors ONLY. It can be ordered through MosbyJems, but customers must first obtain an access code from the National PHTLS office at 1-800-94-PHTLS or 1-601-924-7744. Individuals may also call the above numbers for information on How to Become a PHTLS Instructor.
