<<急救士>>

内容概要

Immerse yourself in an unrivalled EMT learning experience with Emergency Medical Technician: Making the Difference. MosbyJems' unbeatable combination of a text, DVD, and online resources teach you not only the skills you need to know, but the when and why to perform them. You'll discover step-by-step skills with detailed instructions and clear photos in the text, reinforced by case scenarios in every chapter. The DVD takes you even further, showing real EMTs performing the skills, up close! You'll use the workbook for review and test prep, and go online to access Evolve resources for deeper study. Put it all together, and you will learn! And when you learn, you succeed!
