#### 内容概要

When apples, worms and roots become unbearably boring, Badger sets off to find more exciting foodabut he canat quite catch the main ingredients. Badger keeps searching until in frustration he shouts: alam so hungry I could eat a horse a Unfortunately, a nearby horse doesnat think that is so funny. Keiko Kasza, a master at surprise twists on the last page, includes clever panels to show what happens to the animals who escape Badgeras grasp, allowing kids to be in on the satisfying way they unwittingly get back at their tormentor.
