<<骨关节炎>>

内容概要

"The book could be read from cover to cover in a few days but it is easy to dip into quickly for answers to a particular question aided by the comprehensive index. Recommended to patient and professional alike for its clear and straightforward approach." Dr J M Sager, Medix UK website, November 2003 Product Description

This book, written in the popular Q and A format of the Your Questions Answered series, will provide sufficient information for a primary care doctor to be able to understand and treat patients with osteoarthritis. Answers are presented in a succinct, accessible style, with emphasis on evidence-based, up-to-date knowledge.
