内容概要

There's one last chance to save the world in the third book in the Maximum Ride series, **SAVING THE WORLD AND OTHER EXTREME SPORTS**. The time has arrived for Max and her winged "flock" to face their ultimate enemy and discover their original purpose: to defeat the takeover of "Re-evolution"--a sinister experiment to re-engineer a select population into a scientifically superior master race...and to terminate the rest. Max, Fang, Iggy, Nudge, Gasman, and Angel have always worked together to defeat the forces working against them--but can they save the world when they are torn apart, living in hiding and captivity, halfway across the globe from one another?
