<<罗恩的身份/Robert Ludlum>>

内容概要

Book Description

Already devastated by loss, Bourne is shattered by a report that his last friend in the world, Martin Lindros has gone missing. A CIA deputy director, Lindros was in Ethiopia tracking suspicious shipments of yellowcake uranium and atomic bomb weaponry. His last lifeline to humanity, Bourne will not let Lindros go. Despite his hatred for CIA, Bourne sets out to rescue his friend and finish the job: dismantling a terrorist network determined to build nuclear armaments by cutting off their source of money. But Bourne doesn't realize that these men, Islamic supremacists, are leaders of an incredibly dangerous, technologically savvy group with ties from Africa, across the Middle East, and into Eastern Europe and Russia. They have predicted Bourne's every move, and are counting on his unwitting help in their plans to destroy America.

From Publishers Weekly

In Lustbader's workmanlike second novel to continue the saga of Robert Ludlum's amnesiac assassin and spy (after 2004's *The Bourne Legacy*), Jason Bourne joins the war on terror. Troubled by visions of a woman dying in his arms, Bourne seeks psychiatric help, unaware that the doctor is an imposter who has tampered with the rogue agent's already messy and incomplete memories. That mental sabotage is part of a diabolical plan by Islamic terrorists to strike at Washington, D.C., led by Karim, a human chameleon who has fooled the CIA—and Bourne—into believing that he's actually deputy CIA director Martin Lindros. Aided by an attractive fellow agent who manages to overcome her distrust of Bourne, he races the clock to uncover the traitor within the intelligence community. Lustbader is less successful than Ludlum in dramatizing Bourne's inner torment—a feature that distinguished the character from many similar thriller heroes. (June)
