You'll learn about all the latest developments at Disney and Universal Studios, and get lots of insider tips about airfare bargains and package deals. You'll even get a free color fold-out map that makes trip-planning a snap! 作者简介： I'M NOT A NATIVE FLORIDIAN, ALTHOUGH SOME WOULD SAY OTHERWISE. The general rule of thumb is that if you live in Florida for more than 10 years, you're a native. I've been here more than fifteen. As a born-and-bred New Yorker, I was reluctant to come at first, but I love it now. It's cool here--even if the temperature and humidity can occasionally make you think you're in purgatory. This state has more personalities than Shirley MacLaine, and contrary to popular belief, Florida is not just for retirees and Jennifer Lopez. Whether you're into boating, fishing, camping, 'blading, boozing, or doing absolutely nothing, you'll find it down here, along with a fascinating mix of people from all cultures and walks of life. Where else can you go from sipping a fifty-dollar martini with Paris Hilton to sipping a two-dollar beer next to a guy from Paris, Texas--and still get the same tan? Florida has vibrancy, sexiness, sultriness, and, in parts, remnants of the old South. The thing about Florida is that it's not what you think it is. It's antique, modern, English, Spanish, deep South, and...I'll leave the rest for you to discover. It would be impossible to describe every facet of this fascinating state, but the photos on these pages capture some of my favorite Florida moments.
