### 内容概要

If ancient history is all Greek to you, then this is the lively and straight-talking guide you've been waiting for. From academics and athletes, wars and warriors, to Athens and epic empire building, *Ancient Greeks For Dummies* introduces you to the fascinating history and culture of ancient Greece. You'll discover who the ancient Greeks were, where they came from, how they lived, and how their influence can still be felt around the world today. 作者简介： Steve Batchelor is a lecturer in Classics at Richmond College and has been teaching ancient history for 10 years. He has written reviews for various publications, including *History Today*, and he has also been involved in running guided historical tours of Greece.
