<<Fantasia on Polish A>>

内容概要

"Hats off, gentlemen! A genius!" Such was Robert Schumann's glowing tribute to the youthful Chopin on his composition of Opus 2-the sparkling Variations on Mozart's La ci darem la mano." Now this lively work for piano and orchestra joins Chopin's equally scintillating Fantasia on Polish Airs ("Grand Fantaisie"), Op. 13, and Krakowiak: Concert-Rondo for Piano and Orchestra, Op. 14, in a single volume devoted to three of the great Polish composer's major compositions. Original Dover (2003) publication, from Volume 12 of Breitkopf & Hartel's Complete Works Edition, 1878-80. Instrumentation. 128pp. 9 x 12. Paperbound.
