## <<Great Fugues for Sol>>

### 内容概要

Beginning with works by Frescobaldi, Scarlatti, Giambattista, and Handel, this collection features several compositions by the fugue's most famous expositor, Johann Sebastian Bach, including many pieces from The Well-Tempered Clavier. Contributions from latter-day composers include works by Mozart, Beethoven, Mendelssohn, Robert and Clara Schumann, Brahms, and Saint-Saëns.

<<Great Fugues for Sol>>
