<<OTHER WIND MM 地海奇风>>

内容概要

In this World Fantasy Award-winning novel, the sorcerer Alder fears sleep. He dreams of the land of death, of his wife, who died young and longs to return to him so much that she kissed him across the low stone wall that separates our world from the Dr) / Land--where the grass is withered, the stars never move, and lovers pass without knowing each other. The dead are pulling Alder to them at night. Through him they may free themselves and invade Earthsea. Alder seeks advice from Ged, once Archmage. Ged tells him to go to Tenar, Tehanu, and the young king at Havnor. They are joined by amber-eyed Irian, a fierce dragon able to assume the shape of a woman. The threat can be confronted, only in the Immanent Grove on Roke, the holiest place in the world--and there the king, hero, sage, wizard, and dragon make a last stand. With millions of copies sold worldwide, Ursula K. Le Guin's Earthsea Cycle has earned a treasured place on the shelves of fantasy lovers everywhere, alongside the works of such beloved authors as J. R. R. Tolkien and C. S. Lewis.

书籍目录
