<<SEVEN TROOP 第七军团>>

内容概要

In 1983 Andy McNab was assigned to B Squadron, one of the four Sabre Squadrons of the SAS, and within it to Air Troop, otherwise known as SEVEN TROOP.

This is Andy McNab ' s gripping account of the time he served in the company of a remarkable group of men — from the day, freshly badged, he joined them in the Malayan jungle, to the day, ten years later, that he handed in his sand-coloured beret and started a new life. The links they forged then bound them inextricably together, but the things they saw and did during that time would take them all to breaking point — and some beyond — in the years that were to follow. He who dares doesn ' t always win . . .-- From the Trade Paperback edition.
