内容概要

在线阅读本书

THE CLASSIC ACCOUNT OF THE ALLIED INVASION OF NORMANDY The Longest Day is Cornelius Ryan's unsurpassed account of D-Day, a book that endures as a masterpiece of military history. In this compelling tale of courage and heroism, glory and tragedy, Ryan painstakingly recreates the fateful hours that preceded and followed the massive invasion of Normandy to retell the story of an epic battle that would turn the tide against world fascism and free Europe from the grip of Nazi Germany. This book, first published in 1959, is a must for anyone who loves history, as well as for anyone who wants to better understand how free nations prevailed at a time when darkness enshrouded the earth.
