内容概要

You've heard it before-the world is your oyster, filled with fantastic experiences. For more than a decade, the intrepid team from Globe Trekker-public television's fast-paced travel-adventure series-has journeyed around the world in search of the most flamboyant festivals, spectacular beaches, adventurous treks, and happening places on the face of the earth. Globe Trekker's World brings you the best of the best-organized by month so you can see what's happening when you want to go. Want to find a private beach for your spring vacation? Turn to the April chapter. Looking for an outdoor adventure in the summer? Check out the July chapter. Planning a honeymoon in October? Why not go where there's an amazing festival. And speaking of festivals, as a special bonus this book contains Great Festivals-a full-length DVD that will put you front and center at the world's most unique celebrations! Whether you're an experienced explorer or armchair traveler, Globe Trekker's World is your first-class ticket to the best adventures this planet has to offer.
