<<小儿科Pediatrics>>

内容概要

Finally, find all of the information you need to know about a disease, all on one page! In a Page Pediatrics is your key to a fast and concise review of vital information. In this innovative one-page format, you can review etiology, epidemiology, signs and symptoms, differential diagnosis, and treatment options for over 250 diseases! Perfect for medical students -- physician assistants, nurse practitioners and related health professionals will also find In A Page valuable.
