<<The Christmas Kit (>

内容概要

Get creative and enjoy a fun-packed Christmas with exciting activities and lots of things to cut, stick, make and do. Whether you fancy making a pop up snowman card, a colourful Christmas tree, a smiley snowman or a glittery angel for the tree, you'll find everything you need in this crafty kit. Packed in a funky carry case, there are sparkle pens, glitter tubes, sequin jewels, cards and envelopes, coloured paper, sticker sheets, a cookie cutter for making tasty treats and a project book for inspiration! Surprise your mum and impress your friends, the hardest part is choosing what to make next...
