<<爱情美食>>

内容概要

Curry making has never been easier for you. Learn to love the wonderful aromatic flavours and exotic spices that these recipes can offer - they are all very easy to make and so allow you to spend more time having fun with friends or family rather than slaving away in the kitchen. Not only will the diversity of curries take you by surprise, the fantastic taste of these dishes will leave you wanting so much more. So go on and tuck into the recipes inside this book
