#### 内容概要

The world of dreams is a mysterious and fascinating place where the rules of reality do not apply In dreams we release our sub-cunsdous hopes and fears, our innermost desires and ambitions, in a cascade of images, .sounds, ideas and emotions which can manifest themselves in any number of different ways. Whether you dream of mundane, everyday things or weird and wonderful phenomena and supernatural beasts, your (]reams are entire]y personal and unique to you-a secret world to which only you have access. No other person has exactly your background, your emotions. or your experiences, so every dream is intimately" connected with your own existence. This means that when interpreting your dreams, it is important to draw from your personal lift, and experiences, This book will show you how to do this. In a series of themed chapters, A Pocket Guide ro Dreams explores the meaning of countless images, symbols and portents that occur regularly in people's dreams. Numerous colour photographs and illustrations are accompanied by detailed explanatory text providing the latest, most widely accepted interpretations of what these images mean. Remember that a dream can unify the body, mind and spirit. It provides you with insight into yourself and a means for self-exploration. In understanding your &earns, you wiU have a better appreciation of your true self and will achieve a greater harmony in your life.
