<<脑力游戏2Fantastic Brai>>

内容概要

Chocolate! For hundreds of years, people all around the world have been seduced by the delights of this wickedly tempting food. This inspirational cookbook is especially designed for the home cook, featuring a mouth-watering range of irresistible chocolate recipes. There are sections on sumptuous chocolate cakes, gateaux, loaves and cookies, on indulgent hot and cold desserts, and on dreamy chocolate sweets and drinks - There are also basic preparation methods and decoration techniques.

All of the recipes are easy to follow and use the best quality ingredients, with the emphasis on flavour and visual appeal. Beautifully designed and produced. Greatest Ever Chocolate. is the comprehensive guide to chocolate heaven!
