<<消失的行为VANISHING ACTS>>

内容概要

Book Description

In *Vanishing Acts*, bestselling author Jodi Picoult follows a young woman who seems to have it all - until a long-repressed memory suddenly returns as a threat.

Delia Hopkins has led a charmed life. Raised in rural New Hampshire by her beloved, widowed father, she now has a young daughter, a handsome fiancé, and her own search-and-rescue bloodhound, which she uses to find missing persons. But as Delia plans her wedding, she is plagued by flashbacks of a life she can't recall...until a policeman knocks on her door, revealing a secret about herself that changes the world as she knows it - and threatens to jeopardize her future.

With understanding, insight, and compassion, in *Vanishing Acts*, Jodi Picoult explores how life - as we know it - can change before our very eyes.

"Picoult is a solid, lively storyteller."
