<<Elmer and Butterfly >>

内容概要

The famous patchwork elephant is back in another heart-warming adventure about friendship and teamwork. One day, as Elmer is strolling through the jungle, he hears a cry for help. A butterfly has been trapped in a hole by a fallen branch. Elmer rushes to the rescue and frees her with ease. In return she promises to help Elmer should he ever need it. Elmer cannot imagine how a tiny butterfly could ever help him, but he finds out sooner than he expects.
