内容概要

A teetotaler at sea, with a crew three sheets to the wind. New Afterword by Thomas Meagher. Writes Katherine A. Powers, of The Boston Globe , "I read Seaspray and Whisky in one enthralled sitting. It is a memoir of a young Irish Radio Officer who has the exotic misfortune to sign up for a tour of duty on a ship commanded and crewed by a collection of toppers. The ship's most notable presence is a cargo of Scotch whisky. The author, who is a teetotaler and a bit of a priss, observes with awed restraint as the voyage from Liverpool to New Orleans and on to Houston disintegrates into a binge, the consequence of 960 bottles of Vat 69 disappearing during transit. Freeman's powers of description are stunning: the voyage comes alive with its curious assemblage of seamen, all exceptionally human in their cunning and folly, in their aspirations and failures."
