<<Cool Rome 时尚罗马>>

内容概要

A center of trade, culture and administration for centuries, Rome has long set the trends in art, fashion and lifestyle. A constant source of ideas and innovations, Romans are envied for being cool without ever really trying. This accessible guide profiles both brand-new and long-established hip spots. Your passeggiata through Rome is led by supermodel Eva Padberg and fashion photographer Russell James. This happening volume features an extensive service section with key information, addresses, as well as a handy map of the city.
