<<Executive Escapes We>>

内容概要

It's the weekend: 48 hours of free time! Turn off your Blackberry and recharge those creative batteries--or spend some precious time with your partner. manager magazin, the monthly business magazine for professional decision makers, and teNeues have selected the best short-stay destinations in Europe. Illustrated with attractive photographs, this convenient guide shows you just how top executives unwind. Each hotel has unique charm, superb service and unparalleled amenities. The only decision you'll have to make is where to go first.
