## 前言

本书是受国家旅游总局委托，由锦江联营公司技校编写的第二册。

全书共16个单元。

课文内容较多涉及旅游服务，尽可能使学习者接触到与此有关的词语及句式。

根据中等专业学校的水平与要求，文字由浅入深，尽量采用短小课文，便于朗读背诵和应用。

每课都附有专业性的对话，帮助提高会话能力。

本书语法只作为课文注释的一部分，结合课文进行简要的讨论。

语法的重点为动词的将来时、现在完成时、过去进行时、过去将来时及过去完成时等各种时态的应用，形容词、副词的比较级和最高级，动词的被动语态，宾语从句和状语从句等。

练习包括对课文中出现的语法项目的复习，服务实用能力的综合训练以及阅读练习。

阅读材料与课文难易相似，有的甚至略难一些，可供程度较高的学习者提高阅读能力之用。

本书是对学生进行语言基本训练的材料，通过学习，以期达到提高英语的听、说、读、写能力的要求。

从外事服务工作人员的职业要求来看，应该特别注重听和说两方面。

但语言能力是综合的，只有在全面培养的基础上，口语能力才有可能提高，因此有必要使用综合性的课本。

## 章节摘录

插图：The Routine of a Chef I work in a small, high class restaurant. I've been there since last March. I was lucky to get the job because they'd had a boy before. They didn't advertise for a girl and it was a big decision for them to hire me. It's harder for a girl to be accepted because men are better able to cope physically. For example, I find it difficult to lift big pots and the heat affects me more than the men. As I work shifts, my day starts at different times. One week I get up at quarter to eight, the next I can lie in as long as I like. I wear white clothes, a white coat and check trousers, and I have to tie my hair back for hygiene's sake. By the time I arrive for the early shift, the restaurant owner has already been to the markets at dawn. My first task is to do everything that needs doing to the vegetables, from peeling and washing to preparing the Gratin. The vegetables take me until 11. Then it's time for the pith fours which we serve with the coffee. Next I check that everything is in position in the store cupboard and the fridge. I prepare staff lunch for 11:30, generally steak because the end of the fillet is never served to the customers. We have to finish before 12 because that's when the doors open. Because it is a very small restaurant, I've had a lot of opportunity to prepare main dishes even though I'm only number three in the pecking order. Although it is a very heavy work load, and I have to be on duty every Saturday evening, I prefer to be in a small place, because it's so much more varied. If I were in a large one, I'd probably stick to peeling potatoes from morning to night.
