## 前言

《新编实用英语——学学·练练·考考》(New Practical English - Workbook)是《新编实用英语——综合教程》的同步自学练习用书。

本书紧扣《新编实用英语——综合教程》各单元的教学内容与体例,力求巩固和扩大教材所设计的听、说、读、译、写等语言技能的训练和词汇、语法等语言知识与用法的学习和提高。

《学学·练练·考考》的编排模式与《新编实用英语——综合教程》基本相同,二者互相配合照应,因此它是配合教科书供学生自主学习的好伴侣。

为了充分体现便于自学的特点,《学学·练练·考考》有以下几个突出的特点: 1. 阅读文章的生词都旁注在课文的右侧,十分便于学生独立阅读; 2. 每课都加编了相应的Data Bank,为主教材中的相关表达练习提供辅助资料,这对提高学生的独立运用能力十分有益; 3. 在一般写作部分,各册加编了相关语法和写作知识的归纳小结,不仅为学生提供了其训练中所需要的语言材料,而且帮助学生系统地归纳整理所学语言知识,从而能更有效地在实践中使用; 4. 每册加编了2套模拟考题,第一册模拟英语应用能力B级考试;第二册的第一套模拟B级考试,第二套模拟A级考试;第3册模拟A级考试;第4册模拟大学本科英语4级考试。

这既便于学生自我检测,又便于衡量自己达到《高职高专教育英语课程教学基本要求(试行)》的程度。

综上所述,《学学·练练·考考》是学好《新编实用英语——综合教程》的重要辅学必备材料,它可以帮助学生复习所学内容,扩大练习园地,开拓知识视野,提高学习兴趣。

将主教材和自主训练材料很好地配合使用,一定会取得事半功倍的效果。

《新编实用英语——学学·练练·考考》第一册由大连理工大学姜怡和姜欣主编,蒋立真、张睿、冷慧等人参加编写。

A Travel Experience      When Jim Bruce was invited to attend an international conference on computernetwork , he was delighted. The conference was to take place in Geneva and Jimthought it would be a good opportunity to take Mary on a short holiday. They decidedthat they would go to Paris for a week before Jim traveled on to Geneva for the confer-ence. Mary would then return home.      Jim and Mary spent an enjoyable week touring Pads. They did a lot of walkingand at the end of the week , they were very tired. Jim went with Mary to the airport and saw her onto a plane for London. While he was waiting in the lounge for his plane toGeneva , a mist began to form. Eventually , his plane took off two hours late. As soonas he sank into his seat , Jim fell fast asleep.      Unfortunately , as the plane flew towards Geneva , the mist changed to thick fog. The pilot radioed his destination and was told that it was impossible to land therebecause of the fog. When this news was given to the passengers , Jim was still fastasleep. He did not wake up until the plane landed back in Pads. Still very sleepy , hehurried through the airport lounge and found a taxi. He asked the driver to take him tothe Geneva International Hotel. The surprised driver looked at Jim as if he were mad.
