Glossary

章节摘录

The end came swifter than expected. The Taliban regime was defeated three months after Osama bin Laden and his al-Qaeda network launched their terrorist attack on the U.S. Yet the war in Afghanistan is far from over let alone the battle against international terrorism. And there remains the daunting task of reconstructing Afghanistan's ravaged economy. The challenge goes far beyond that landlocked nation's mountainous borders. Many of Afghanistan's immediate neighbors, as well as much of Africa and several economies once part of the former Soviet Union, are also trapped in grinding poverty and plagued with high levels of infant mortality, little education, oppressed women, and rampant disease and malnutrition. Such countries are breeding grounds for terrorism and civil war, as well as the tragedy of child warriors. Economic development will not only improve living standards but it will also lessen for future generations the lure of suicide missions, car bombings, and other acts of terror. ELUSIVE ELIXIR. Figuring out how to transform poor countries into rich economies is tough. The track record of economic advisers over the past half-century is not heartening. The search for growth's elixir has ranged from foreign aid to investment in machinery, from improving education to limiting population growth, from granting loans in return for reform to debt relief conditional on reform. None of these policy prescriptions have had the hoped-for impact.

编辑推荐

倡导英语学习现代理念 提供英语学向整体方案 创造英语学习崭新体验 迎接中国入世全面挑战

1 注重实用表达能力的培养：在语言基础训练中加大听力和口语的学习内容，加强实用阅读、实用会话、实用写作的训练，培养学习者英语综合《用能力和在涉外交际中的实用表达能力。

2 注重教材的可操练性：选文短小精悍，生动有趣，便于听、说、读、写、译的训练：练习设计层层深入，通过训练达到学懂、会用的教学目的。

3 强调以人为本，突出“个性化”学习：注重学习者在整个学习过程中自主学习的引导，强调学习者在体验语言的立体化环境中获得语言知识，体验用英语表达和交流思想的美妙：

4 重视文化知识的学习，培养“跨文化意识”：提供大量真实的图片、富有时代感的文字材料以及英语国家丰富的文化背景，开拓学习者的视野。

5 立体化教材为英语学习提供全方位服务：文字版、网络版、电子教案以及多媒体学习课件等提供了立体、互动的英语学习环境。
