"He thought hard, then hehad a "good" idea. "Ah, III stuff some cotton into my ears, so I wont beable to hear the noise. "

The next day, again he went to the door of his neighbours house andtook hold of the bell. The bell was very loud, but the thief didnt hear it, because he had stuffed his ears with cotton. With another hard pull, hegot the bell off the door, just then the neighbour ran out.
