章节摘录

Are you an adventurous traveller ?

What is your idea of a perfect holiday ?

Do you like a package tour where everything is arranged for you , you can just sit back and relax and enjoy the simple everyday pleasures or are you an independent traveller , lots of experience , lots of a few things ? And if you are an independent traveller with the taste of adventure , then you'll love a visit here to the world famous Edinburgh Festival. When the festival takes place in August , within a few weeks , then you can see the very best of drama , dance , theatre , films and stacks of brilliant street entertainment. But be prepared for the unexpected. At festival time , every per city center of the county becomes one huge street theatre with musicians , actors and entertainers that fall into crowds of passers-by. Wherever you go , actors from the shows wearing their stage costumes hand out leaflets and tried to persuade you to buy tickets. There are literally hundreds of shows being performed everyday. So , for a few summer weeks , many theatres are squeezed into the most unlikely buildings. Even hotels get in on the act. Bedrooms and conference areas are turned into dressing rooms and performance spaces. And the next place for a box office is in the hotel receptionist area. Yes , if you are in the mood for an entertainment , there is something to see from 8 : 00 in the morning right to the midnight. There will be so much going on ; it is easy to overdo things. &hellip;&hellip;
