<<外语课堂教学艺术>>

内容概要

《外语课堂教学艺术》以现代观及与后现代观相融合的视角对外语课堂教学艺术的内涵与外延给予界定，通过语境要素综合集成的非线性认知内化和语意变量系统的理性求解外化整合，探讨外语课堂教学过程中的准备艺术、实施艺术、创新发展艺术以及教师学术研究艺术，其研究的系统性是将教师的艺术修养中的心灵情感因素、外语课堂教学效益方面的审美境界因素以及教师外语教学的聪明才智所反映的独特创新因素交互作用，教师对外语课堂教学艺术的认知取向、文化视野、思维定势、理性创造、精神追求等视为一项系统工程建设，从而使外语课堂教学艺术作为教学论发展中的分支而成为一门相对独立的学科。

书籍目录

part one introduction to the art of foreign language classroom instruction1.1 the study orientation of the art of foreign language instruction1.2 the duality of foreign language classroom instruction1.3 definition of the art of foreign language classroom instruction1.4 essential characteristics of the art of foreign language classroom instruction1.5 common attributes of excellent teachers in foreign language instructionpart two the art of preparation for foreign language classroom instruction2.1 the art of preparing lessons in foreign language classroom instruction2.2 the art of lesson presentation in foreign language instruction2.3 the art of exploitation of teaching resources in foreign language classroom instructionpart three the art of the implementation of foreign language classroom instruction3.1 the art of lead-in of foreign language classroom instruction3.2 the art of the teacher's state in foreign language classroom instruction3.3 the art of teachers' verbal and non-verbal expression in foreign language classroom instruction3.4 the art of questioning in foreign language classroom instruction3.5 the art of pedagogical tact in foreign language classroom instruction3.6 the art of blackboard-writing in foreign language classroom instruction3.7 the art of stick pictures in foreign language classroom instruction3.8 the art of class-ending in foreign language classroom instructionpart four the art of innovation development in foreign language classroom instruction4.1 the art of problem-based instruction in foreign language classroom4.2 the art of task-based instruction in foreign language classroom4.3 the art of role play in foreign language classroom instruction4.4 the art of project-based approach in foreign language classroom instruction4.5 the art of group discussion in foreign language classroom instructionpart five the art of teachers' scholarly pursuits in foreign language classroom instruction5.1 the art of observation and comment on classes in foreign language instruction5.2 the art of open class in foreign language instruction5.3 the art of teacher development in foreign language instructionreferencesacknowledgements
