<<英语国际人>>

前言

本书与市面上其他写商务对话的书不同，书中有八个固定的角色，这八个人每天都穿梭于商业职场，对话讲述的就是他们的故事。

同时，与按照特定话题来设计安排的枯燥的对话不同，这本书是关于这八个人之间以及和他们的上司之间发生的故事，趣味横生。

这一点书店里的其他书是不具备的。

特别之处有三：第一，本书的作者来自英国，并且拥有多年在中国一流大学的教学经验。

对话中充满了最时尚的表达方式，也就是说，你将会学到现在英国人最流行的口语。

第二，对话中突出强调了词组、短语和表达法。

因为在任何课文中，无论是口语还是书面语，由二、三、四，甚至是五个单词所组成的词组、短语和表达法都占据了主要部分。

在我们日常的听说读写中，固定表达法的比例可能会高达70%，这就是我们的大脑储存词汇的方式。

意识到这点很重要，与单个的单词相比，我们更倾向于记忆和使用词组。

所以，在学习英语时，不要只记单个单词，而应该记忆词组和短语。

第三，也是最重要的。

这些对话紧扣人们的商业和日常生活，取材来自生活，原汁原味，是日常英语会话中所必须。

非常感谢我的出版人蔡箐小姐给予我的鼓励和帮助。

感谢Tori waters-wang为本书贡献了许多精彩的对话。

最后，我还要感谢李杨和赵娇为本书所作的翻译以及她们孜孜不倦、精益求精的态度。

章节摘录

Weird Job Titles (Lulu and her colleague , Kiki , discuss amagazine article about weird job titles .)

Kiki : What are you reading? What on earth is a Chief Imagination Officer? Lulu : Guess! K : Whatever it is . do we need one here? I'd like a job title, like that . L : I don ' t think you would , it ' S just a creative assistant actually , that means making the coffee and... K : Oh no! Forget that! What about this one... Environment Technician , what ever is that? L : Think about it , environment , that could be working environment , office environment in general , how clean it is? K : Yes , yes , I bet it ' S just a glorified cleaner! L : You ' ve got it , it is a cleaner . Still , even with that job title , cleaning the toilets would be gross! K : Voice Data Executive . Now that does sound interesting . you know how I love to sing . Maybe I could use my singing voice in my job all day long . L : Nail , it Can ' t be anything good , all of these have been awful jobs SO far . Let ' s think about this... data... well . some sort of information . And the voice thing , maybe it ' S about passing on information verbally . K : Passing information verbally... SO on the telephone . A tele - phonist! You ' re right , that ' S pretty much what I do now and whether I had that title or not I'd still hate my job! L : Haha! At least you aren ' t an Environmental Technician . you ' ve still got that to be thankful for .

奇怪的工作头衔 (Lulu和她的同事Kiki在谈论杂志上一篇关于奇怪的工作头衔的文章) K : 你在看什么? 首席想象员到底是做什么的呀? L : 你猜猜看! K : 不管是什么, 我们这儿需要一个吗? 我希望有个像这样的工作头衔。

L : 我觉得你不需要。

这实际上就是一个有“创造力”的助手, 像; 中咖啡呀什么的。

K : 哦。

还是算了吧! 别理那个了。

这个怎么样? 环境技术员, 这又是做什么的? L : 想想看, 环境应该是指工作环境, 一般是办公室环境。

能有多干净? K : 对。

我敢肯定就是清洁工! L : 你猜对了, 就是清洁工。

所以, 即使对这种工作头衔来说, 打扫卫生间的说法太不雅了。

K : 声音数据执行官, 这个听起来有意思。

你是知道的, 我有多喜欢唱歌。

也许我可以用我的歌声工作一整天。

L : 别了, 那不可能是什好差事, 现在看起来都是很糟糕的工作。

你想想看..... 数据..... 一些信息, 然后是和声音有关的。

也许是口头信息传讯员。

K : 口头传递信息..... 就是说和电话有关。

一个话务员! 你是对的, 那和我现在的工作差不多, 而且不管我有没有那个头衔, 我真的不喜欢这份工作。

L : 哈哈, 至少你不是环境技术员呀。

你还是应该心存感激啊。

Pay Rise or Promotion (Lulu goes home and discusses job titles versus salary with spring .) Lulu : I was reading a magazine article about weird job titles with Kiki today , some of them were almost impossible to guess what the job actually entailed . Spring : Yes . I ' ve seen something like that , The funniest one I saw was an Odd Shoe Examiner! Can you guess what their responsibilities are for that job? L : Odd Shoe Examiner? Maybe they check people ' S shoes . I mean the ones who got dressed in the dark , to check that they are wearing a pair? I've needed one of those before! S : That ' S because you have too many shoes . no actually their responsibilities are examining shoe uppers for any defects before they leave the factory . L : Really? Totally not what I expected . Anyway . what I was getting to was if your boss gave you a wonderful new rifle , but no raise to go with it , how would you feel? S : At the moment my rifle is just “ Document

Translator ” . Whatcould they call me , really? L : I don ’ t know . “ Head of Creative Translation and Interpretationof Really Important Stuff ” ? S : Well . I ’ d definitely need the money to go wim that rifle . But Isee what you mean , some people do hold rifles over money . L : If I had a job rifle with “ executive ” in it . Im sure I ’ d feelbetter about myself , regardless of the money . S : Really9 All your boss has to do is add executive to your jobtitle and youd be happier at work?
