## <<澳大利亚语文>>

### 内容概要

西方家庭学校原版教材与经典读本?澳大利亚语文(套装共6册)

这套由澳大利亚教育部门编写的学生教材《澳大利亚语文》,全书共六册。

全套《澳大利亚语文》课本,从最简单入门的英语句式、拼写与发音开始,并且附有大量插图,通过趣味而有教育意义的故事,引发孩子们学习语言的兴趣;并向规范、美丽的文学作品过渡,让孩子们掌握语言的艺术,感受本国的人文历史。

是中国学生学习英语、全面了解西方社会的很好途径。

This set of school books has been suitably illustrated, and has been included with a view to making the books attractive to children by quickening interest through the eye. The main aims of these readers are:

To instill the minds of pupils such a love of literature;

To impart useful information;

To provide matter of such variety and interest that the valuable art of reading aloud may be fostered.

To teach pupils to speak and write good English;

To secure a careful gradation of lessons.

A child who has gained the habit of reading for the sake of the pleasure and the profit that it brings will continue his self-education after he has left school. For young Chinese readers, they should benefit more from these books which originated from the foreign schools.
