### 前言

随着我国大学英语教学改革的不深入，艺术院校的英语教学也面临新的挑战。如何结合艺术院校的专业特点进行英语语言教学，培养综合素质高的专业人才，是摆在我们面前的亟需解决的问题，而编写与艺术专业知识相结合的新型教材不失为一种新的尝试。

《艺术英语阅读教程》是由在艺术院校多年从事英语教学的教师们编写而成。

本教程编者在编写过程中，以教育部高教司颁发的《大学英语教学基本要求》为指导，在广泛调研的基础上，遵循发展性和拓展性原则，注重选材的科学性、趣味性和开放性，选材内容广泛。

本书的特点是以英语语言为引导，结合艺术知识和文化，让学生通过阅读学习获取大量的与专业相关的信息和知识，从而激发学生的学习兴趣，同时提高学生的英语综合应用能力，为他们在今后的学习和工作中能有效地以英语为工具进行本专业的研究和学术交流打下良好的基础。

本书的适用对象是艺术院校和综合性大学艺术专业的学生以及对英语感兴趣的广大的艺术爱好者。

本教程共分二十个单元，每个单元由两篇难易程度接近、题材相关的文章组成，其中每篇文章的编排设计如下：

章节摘录

Bamboos cover a wine-shop by the bridge. Many competitors tried to concentrate on the wine-shop as the center of the picture. There was one man, however, who painted only a bridge bamboo grove by its side, and hidden in that grove, only a shop-sign bearing the character "wine" but no wine-shop at all. And this picture won because the wine-shop was hidden in the imagination. Another subject given was a line from Wei Ingwu's poem: At the deserted ferry, a boat drifts across by itself. The poet had already used the method of suggestion in conveying the atmosphere of silence and desolation by showing that the boat left alone drifted across by the force of the current, but the painter carried the method of suggestion further. The winning picture was one which conveyed this feeling of silence and desolation by drawing a bird resting on the boat, and another one about to perch on it. The presence of the birds near the boat suggests that the boat was deserted and no human beings were about.
