章节摘录

I Believe I Can Fly is a nice song by R.Kelly. What this song impresses me with most is its inspirational function. It tells us the importance of confidence. First, we can say it is confidence that encourages us to do things bravely and makes us succeed particularly when we want to hold back. Second, it is confidence that makes us brave to face and overcome difficulties when we run after our dreams. We even can say: no dream and confidence, no success. According to this song, I learn that in our daily life, we inevitably meet misfortune or difficulties, but as long as we have confidence and dream we can overcome them and have a good future.

I Believe I Can Fly is a nice song by R.Kelly. It tells us the importance of confidence. From this song we can know that confidence gives us the courage to have a try and leads us to success. But only confidence is not enough, we need dreams as well. Let's say, if confidence is a wing with which we can touch the sky, then dream can help us soar to the sky. Confidence and dreams together make us have the courage to face difficulties. On the contrary, without them, we can't succeed. As sung in the song—I believe I can fly and if I can see it then I can do it, with such kind of confidence and dreams, we are sure to succeed.
