前言

北京大学出版社2008年最新引进了一套国外畅销的《英语写作原版影印系列丛书》，并邀请我为这套丛书写序，谈谈我对英语写作教学与研究的一些认识。
我仔细翻阅后，觉得这套书特色十分鲜明，其中有几本再版达十次以上，经久不衰，非常乐意在此推荐给我国的广大读者。

在经济全球化和网络高度发达的今天，学好英语已变得十分重要，英语口头与书面语的表达能力已逐渐成为当今的核心竞争力之一，从第二语言学习的社会文化观看，能否流利地运用外语进行口头或书面交流已直接关系到学生的就业和未来发展。

内容概要

本书系统地介绍了写作研究论文的基本要求、格式规范和方法技巧，从如何有效选题开始，介绍了如何应用图书馆查询、收集和整理资料，如何确定论题和写作大纲，如何有效地在写作过程中使用计算机和互联网络，如何找寻相关的研究信息资料，如何将记录的卡片和笔记写成论文初稿，到如何修改初稿，如何合理引用文献和避免剽窃，如何引用参考文献等。
该书还介绍了三种研究论文的体例格式，并列举了研究论文的样本。
该书与其他同类书籍的一个显著区别是，它没有涉及更多的说教性内容，而是直接给出了写作研究论文各部分的基本技巧、步骤、方法和规范，并采用了大量实例分析，就像一本手册，随时随用，实践性和可操作性俱佳。
　　该书内容丰富，各部分相互独立，读者可以根据实际需求，阅读学习与自忆相关的内容。
同时，本书对广大初学者具有指导作用，也可作为高校学术论文写作教学教材或学习参考书。

章节摘录

When Writing the Research Paper: A Handbook was first published twenty-eight years ago, the first shot had not been fired in the computer revolution, and all researchers were still yoked to the typewriter where the slightest mistake in a line had to be paid for in the drudgery of retyping an entire page. Computers had not become as plentiful as toasters, and the Internet was no more than one or two sparse bulletin boards as primitive as the old-fashioned telegraph. Online sources were unknown, and the idea of communicating with the use of color graphics in a research paper was nothing more than a dream.
