前言

全球化进程的加快已将英语学习推动到了前所未有的高度，各层次英文读者的语言水平与前些年相比有了极大的提高。

市场上各类型的考试训练、技巧指导的书籍远远不能满足广大读者的要求，他们渴望有更多的选择范围，能广泛接触真实而富有趣味性的英语读物，能品味到与学习、生活、工作密切相关的原汁原味的经典作品，能体验那些触动灵魂的感受，以及人类一切美好的向往。

正是为了满足广大读者的需求，我们组织了对英语优美故事感兴趣的中青年教师选编了许多故事，组成这套丛书奉献给英语学习者。

《英语美文欣赏》系列丛书共分三册，第一册由郭冬玲、程维华编注。

她们的书共有70个隽永的小故事，淡淡地叙说生活里那些不经意的美和那些感动人的瞬间，让读者在享受阅读的同时，逐步提高英语水平。

本册故事按一周的七天分类，从第一天到第七天，故事由浅入深，由易而难，所附的语言和文化背景注释，让我们从各个角度进一步了解英语文化。

其中12个故事是程维华编注，其余68个均由郭冬玲编注。

丛书第二册由王军和杨先奕编注了121个故事，这些故事大多由个人亲身经历激发而写成，读者因此能体味到真实感人的优美故事。

故事按12个月份以及每月主要节日来分类，在阅读故事的过程中，读者对西方的重大节日及其来历将有所了解。

章节摘录

Yet there's more. We still have fun. Spontaneous good times. Yesterday, after slipping the rubber band off the rolled up newspaper, Scott flipped it playfully at me: this led to an all-out war. Last Saturday at the grocery, we split the list and raced each other to see who could make it to the checkout first. Even washing dishes can be a blast. We enjoy simply being together. And there are surprises. One time I came home to find a note on the front door that led me to another note, then another, until I reached the walk-in closet. I opened the door to find Scott holding a "pot of gold" (my cooking kettle) and the "treasure" of a gift package. Sometimes I leave him notes on the mirror and little presents under his pillow. There is understanding. I understand why he must play basketball with the guys. And he understands why, once a year, I must get away from the house, the kids and even him to meet my sisters for a few days of nonstop talking and laughing. There is sharing. Not only do we share household worries and parental burdens—we also share ideas. Scott came home from a convention last month and presented me with a thick historical novel.
