<<雅思口语8分.经典背诵80篇>>

内容概要

雅思口语,无疑是最令考生揪心的一部分;而在雅思三个部分中,尤其让人胆寒的是第二部分,即2分钟独立就某一话题发表演说。

很多考生认为,这一部分中,话题不熟悉导致没话说,缺乏扩展能力导致说不多,语言功底弱导致错误多,是三个最常见的问题。

笔者认为,这种现象恰如其分地反映了中国考生的一个问题,也就是第二部分考察的两个难点: independent long talk和presentation skill。

前者考察考生持续使用英语的能力,后者则是英语国家人民的一项基本素质,而这恰恰是被我国传统教育忽视的。

所以很多考生在平时缺乏必要口语训练的情况下,在考试中不仅要面对英语的压力,还要使用这一对他们来说非常陌生的模式来操作,低分也就在情理之中了。

那么如何解决这一棘手的问题呢?

雅思第二部分的题目,虽然具体的题目千变万化,但其实还是存在一个相对稳定的题库。

具体地说,大家只要做好充分的准备,在正式考试中,虽无法保证碰到完全一样的考题,但是基本可以做到考题50%甚至更多的内容处于“已准备状态”。

这样,就可以充分避免无话可说、时间过剩,以及错误过多等问题了。

本着这样一个目的,本书为大家提供了一套非常好的话题分类,共7大类50个topics,基本覆盖了雅思口语中可能出现的话题。

章节摘录

I want to depict a world-renowned NBA basket-ball star named Yao Ming, who is actually from the same city as I. I believe everyone in Shanghai knows him for he is the real pearl of the city. Yao got drafted by Houston Rockets in 2003 and began his professional career there. Currently, he is undoubtedly the best center as well as the most influential international player in the entire league. He has been present for 6 consecutive All-Star games since his landing. Well, Yao is quite special in terms of both professionalism and business awareness. As a rookie, things weren't quite going well with him, for he used to be too skinny and couldn't really fit in with the tough body contact as well as the fierce competition in the league. But look at him now, after years of monotonous and harsh physical training, he's already become strong and hard to shake in the paint. On top of that, Yao is also enthusiastic about attending a lot of commercials and has been making numerous investments in certain fields such as catering and fitness.
