<<中国2010年上海世博会概览>>

内容概要

The emblem for Expo 2010 Shanghai China: inspired by the shape of calligraphic creation of the Chinese character "世" (meaning "the world"), the emblem projects the image of three persons, you, I and he/she, throwing arms around each other. It symbolizes the big family of mankind in harmony and happiness, and conveys the notion of the world expositions of "understanding, communication, union and cooperation". It showcases the great efforts of Expo 2010 Shanghai China to focus on the humanistic core.
