## <<八年级语文(上)>>

### 内容概要

新版呈现如下特色：

1. 丛书更加具有鲜明的螺旋式阶段提升特征。

依据。

单元检测——阶段提升——专题整合——期末检测。

的螺旋上升思路，整体设计“单元A卷——单元B卷——月考卷——期中卷——专题整合复习卷——期末卷”的功能定位，使各卷难度阶梯渐次加深，思维渐次开放，引领学生挑战自我，体验成功的快乐。

2. 与各年级各单元的教学与测评同步，单元“A卷”(综合达标训练卷)以覆盖和测试本单元内各考查要点的基本题为主，成为真正意义上的基础知识与重点过关训练；单元。

B卷。(综合提优测评卷)则结合教材向课外背景内容拓展、创新方向延伸，重在测试学生的综合、拓展与应用创新能力。

3. “月考卷”。

主要用于对月度所学知识和能力发展水平的考查，涵盖“基础题”。

“综合随展”“开放创新”各层级要求，以提升阶段性融会贯通能力。

4. “专题整合复习卷”是根据期末测试的要求，对本学期学习内容作全面系统的纵向归类整理、整合提升而设计的，旨在引导学生实现知识积累、渐次整合、应用创新。

5. “期中卷”“期末卷”的命题模式、重点、难点和热点、题型分布等、全面仿真，题目渐次展现阶梯，引领学生逐步实现能力提升和跨越。

6. 各卷命题分别显现同步性、阶梯性、提优性和前瞻性，素材鲜活、灵动，题型新颖、丰富，充满时代气息，体现新课改研究成果和命题趋向。

章节摘录

The teacher took Helen for long walks , and told her about all the beautiful sights. Helen touched flowers , climbed trees and smelt a storm before it came. She also learned how to swim and ride a horse. After she grew up , she became a famous writer in America. Her first and most famous book is The Story of My Life. Her story brought new hope to many blind and deaf people. It gave light to those in darkness and encouraged them to live and work. Zhou Yan , a Junior 3 students in Taiyuan , wishes he never got a mobile phone. Last week , he went to see a doctor because his arms and fingers were hurting , and he could not see very well. The doctor told him that he had had "mobile phone disease". A growing number of teenagers are getting "mobile phone disease" as more are buying mobile phones. Zhou got his mobile phone only five months ago. His mum bought it for him to use when he got into trouble. But Zhou used it to send messages to his friends. He sent messages to them all the time , even after going to bed. Zhou started to do badly in the exams because he was spending so much time playing with his mobile phone. His mum got very angry with him. Zhou Yan didnt care about his mums feeling at all. But one day , Zhous arms started to hurt. And that is why he went to see the doctor.
