章节摘录

Now, his father is driving the car. John says, "Dad, many of my friends have bikes. And they ride to school on them." His father stops his car at a red light and looks at John. "John," he says to him, "I can buy one for you, but first you must answer my questions. Now, look at the traffic lights (交通灯). Do you know their meanings? Oh, yes. Red is stop, green is go, and yellow is go quickly. "1. John goes to school by bus every day. 2. John wants to buy a bike. 3. Many of John's classmates have bikes. 4. John's father buys a new bike for him. 5. John's answer is right.

B Its March now. Spring is here. Its time to plant trees. Look!

There is a little child in front of the house. What is she doing?

She is watering some flowers. Who are the man and the woman beside the house?

They are the girl's parents. What are they doing?

They are planting trees. Look at the children near the river. They are Young Pioneers. Are they playing or working?

They are working. They are planting apple trees. Some are digging, some are planting, some are carrying water, and others are watering the trees. All of the children are busy. On the hill there are also a lot of people. What are they doing?

They are planting trees, too. Look at all the young trees on the hill. How hard all these people are working!

They are hoping to make our country more beautiful!
