## 内容概要

本书是全国规划教材的编写力求满足高职高专环境保护类专业课程体系和课程教学的新发展，立足教学现状，力求创新，在吸收已有教材成果的基础上，将本学科的最新理论、技术和规范纳入教学内容，并与国家最新的相关政策标准、法律法规保持一致。

为满足培养应用型人才目标的需要，整套教材加强了职业教育特色，避免大量理论问题的分析和讨论，强调以实际技能和职业需求带动教学任务，技能实训部分采用项目模块化编写模式，提倡工学结合，增加可操作性和工作实践性，为学生今后的职业生涯打下坚实的基础。

同时，教材中每章列有学习目标、章后小结和形式多样的复习题，便于学生理清知识脉络、掌握学习重点；丰富的课外阅读材料使学生的学习增加了兴趣，拓宽了视野。

## 书籍目录

Module 1 The Environment and Environmental Problems Chapter 1 Part A Text Environment Part B Reading Material What is Pollution Part C Translation Skills

Module 2 Ecosystem Chapter 2 Part A Text How Do Ecosystems Work Part B Reading Material Endangered Species Part C Translation Skills

Module 3 Air Pollution and Control Technology Chapter 3 Part A Text Type and Sources of Air Pollutants ( 1 ) Part B Reading Material Type and Sources of Air Pollutants ( 2 ) Part C Translation Skills

Chapter 4 Part A Text Conventional Technology of Air Pollution Control Part B Reading Material Gas and Vapor Control Technology Part C Translation Skills

Chapter 5 Part A Text New Technology of Air Pollution Control ( 1 ) Part B Reading Material New Technology of Air Pollution Control ( 2 ) Part C Translation Skills

Chapter 6 Part A Text Acid Rain : What is the Solution Part B Reading Material Acid Rain Basics Part C Translation Skills

Module 4 Water Resources and Wastewater Treatment Technology Chapter 7 Part A Text Water Part B Reading Material Problems of Water Resources Part C Translation Skills

Chapter 8 Part A Text Water Problems Part B Reading Material Oxygen in Water Part C Translation Skills

Chapter 9 Part A Text Basic Factors in Water Analysis Part B Reading Material Thunderstorms Are Affected by Pollution Part C Translation Skills

Chapter 10 Part A Text Water Purification Part B Reading Material Water Environment Basics Part C Translation Skills

Chapter 11 Part A Text Water Pollution and Pollutants Part B Reading Material Wastewater Part C Translation Skills

Chapter 12 Part A Text Water Treatment Processes Part B Reading Material Water Environment Problems Part C Translation Skills

Module 5 Solid Waste and Waste Disposal Technology Chapter 13 Part A Text Municipal Solid Waste Part B Reading Material Industrial Solid Waste Part C Translation Skills

Chapter 14 Part A Text Solid Waste Disposal Technology Part B Reading Material The Impacts of Composting Part C Translation Skills

Chapter 15 Part A Text Garbage-potential Resources Part B Reading Material Imagine No Restrictions on Fossil Fuel Usage and No Global Warming Part C Translation Skills

Module 6 Noise and Noise Control Technology Chapter 16 Part A Text Noise and Noise Control Part B Reading Material Noise Pollution Effects Part C Translation Skills

Module 7 Soil and Soil Pollution Protection Chapter 17 Part A Text Soil and Soil Pollution Part B Reading Material Land Degradation Part C Translation Skills

Chapter 18 Part A Text Soil Erosion and Conservation Part B Reading Material An End to Soil Problems Part C Translation Skills

Module 8 Other Pollution and Control Technologies Chapter 19 Part A Text Thermal Pollution Part B Reading Material Light Pollution Part C Translation Skills

Module 9 Environmental Management Systems Chapter 20 Part A Text Environmental Management Systems Part B Reading Material The ISO System Part C Word-formation Knowledge of Science and Technology

Module 10 Environmental Monitoring Chapter 21 Part A Text Identify the Indoor Air Quality Problems Part B Reading Material Indoor Air Quality Concerns Part C Word-formation Knowledge of Science and Technology

Chapter 22 Part A Text Biological Oxygen Demand Monitoring Part B Reading Material Monitoring Part C Reading Skills of Science and Technology

Module 11 Environmental Impact Assessment Chapter 23 Part A Text Environmental Impact Assessment Part B Reading Material EIA around the World Part C Reading Skills of Science and Technology

Module 12 Sustainable Development Chapter 24 Part A Text Sustainable Development ( 1 ) Part B Reading Material Clean Production Part C Reading Skills of Science and Technology

Chapter 25 Part A Text Sustainable Development ( 2 ) Part B Reading Material Six Steps to a Sustainable Society Part C Reading Skills of Science and Technology
