章节摘录

He was growing more and more excited , and this alarmed me for my father, who was very low that day and needed quiet; besides, I was reassured by the doctors words, now quoted to me, and rather offended by the offer of a bribe. "I want none of your money," said I, "but what you owe my father. Ill get you one glass, and no more."

When I brought it to him, he seized it greedily and drank it out. "Aye, aye," said he, "thats some better, sure enough. And now, matey, did that doctor say how long I was to lie here in this old berth ?

"A week at least," said I. "Thunder !"
" he cried. "A week !

I cant do that; theyd have the black spot on me by then. The lubbers is going about to get the wind of me this blessed moment; lubbers as couldnt keep what they got, and want to nail what is anothers. Is that seamanly behaviour, now, I want to know ?

But Im a saving soul. I never wasted good money of mine, nor lost it neither; and Ill trick em again. Im not afraid on em. Ill shake out another reef, matey, and daddle em again."
