章节摘录

Once there was an apple tree which a little boy used to climb it, pick the apples, take a nap under the shadow... Time went by... the little boy grew up and he no longer played around the tree. One day, the boy came back to the tree sadly. "Come and play with me," the tree asked the boy. "I am no longer a kid, I don't play with you anymore," the boy replied. "I need money to buy toys." "Sorry, I don't have money..., but you can pick all my apples and sell them." The boy picked all the apples on the tree and left happily. The boy never came back after he picked the apples. One day, the boy returned and the tree was so excited. "Come and play with me," the tree said. "I don't have time to play. We need a house." "Sorry, I don't have a house. But you can cut off my branches to build your house." So the boy cut all the branches off the tree and left happily. One hot summer day, the boy returned and the tree was happy. "Come and play with me !

" "I am sad and getting old. I want to go sailing to relax myself." "Use my trunk to build your boat." So the boy cut the tree trunk to make a boat. The boy returned after he left for so many years. "Sorry, my boy. I really can't give you anything ...the only thing left is my dying roots," the tree said with tears. "I don't need much now, just a place to rest. I am tired after all these years," the boy replied. "Good !

My roots are the best place to lean on and rest. Sit down and have a rest." The boy sat down and the tree was glad and smiled with tears...
