章节摘录

The Winter Olympics is also called the White Olympics. At this time many colourful stamps are published to mark the great Games. The first stamps marking the opening came out on January 25, 1932 in the United States for the 3rd White Olympics. From then on, publishing stamps during the White Olympics became a rule.

During the 4th Winter Olympic Games a group of stamps were published in Germany in November 1935. The five rings of Olympics were printed on the front of the sportswear. It was the first time that the symbol appeared on the stamps of the White Olympics. In the 1950s the stamps of this kind became more colourful. When the White Olympics came, the host countries as well as the non-host countries published stamps to mark those Games.

China also published four stamps in February 1980, when the Chinese sportsmen began to march into the area of the White Olympics.
